CORNER STONE YOUTH SERVICES

Need to Cancel your Appointment?

We understand life can be unpredictable, and you might not be able to come to your appointment.

Here's how you can cancel your appointment.

Call Us Launceston **6335 3100** Devonport **6424 2144** or Burnie **6408 0251** as soon as possible, so we can book you in for another time.

Check the time, we like to have 24hrs notice of cancellation. That way, we have time to book someone else who may be waiting.

If you cancel three appointments in a row *or* miss two appointments in a row (without letting us know), no further appointments will be booked and another service will be suggested for you.

How can I reschedule my appointment?

Call us, if you try to reach us outside of opening hours, leave a message and our admin team will get back to you.
