Youth Engagement Team (YET)

The Youth Engagement Team (YET) program is Supported by
Primary Health Tasmania under the Australian Government's
Primary Health Networks Program.

About Cornerstone

Cornerstone is a youth friendly service providing person-centred supportive approaches to mental health care. Our aim is to support young people to achieve their mental health and wellbeing goals.

Youth Engagement Team

We offer higher intensity support to young people who are experiencing complex mental ill health which is significantly impacting upon daily functioning.

We focus on engagement and relationship building through case management, psychological therapy and family work.

Our service is free and confidential for young people aged 12-25.

What to Expect

Our team of mental health professionals are committed to working with you to support your mental health goals for up to 18 months.

With your consent we can also offer support on a range of issues impacting on your health and wellbeing.

Cancellation

We offer flexible appointment types across Launceston, Devonport and Burnie. If you need to cancel, let us know and we can reschedule.

How to Access Support

Contact us if you'd like to hear more about what type of support we can offer, or if you'd like to refer a young person.

For Health Professionals

Unsure of our criteria? Call our triage team to discuss.

Please note: referrals are accepted based on complexity and availability. We do not hold a wait list.
